PROFESSIONAL SUMMARY

A student passionate about learning new skills and applying them to real-world challenges. Eager to learn new technologies, gain industry experience, and contribute through meaningful work while growing both technically and professionally. Ready to continuously learn, strengthen my skills, and grow through new experiences.

PROFESSIONAL EXPERIENCE

Full Stack Development Intern

October 2024 – July 2025

Arc Technologies & Institutions — Nagpur

- Completed hands-on training in full-stack development using React (frontend) and Java (backend).
- Integrated RESTful APIs for dynamic data fetching and interactive UI updates.
- Enhanced debugging, deployment, and version control skills using Git, GitHub, and Vercel.

Java Developer Intern

January 2024 – May 2024

Global Education — Nagpur

- Developed and optimised Java applications using OOP and multithreading to enhance functionality.
- Debugged and refined code to improve efficiency and system performance.
- Collaborated with cross-functional teams to implement innovative development solutions.

PROJECTS

Movie Rating & Review Platform JavaScript · TMDb API [LINK](#)

- Built an interactive frontend consuming the TMDb API to fetch and display dynamic movie data.
- Implemented dynamic search with filtering using fetch and async/await.
- Structured code for maintainability with separate utility functions, API handlers, and rendering logic.

JobHunt App React.js · REST APIs · JWT [LINK](#)

- Job search platform using React.js with JWT authentication for secure login and profile access.
- Integrated RESTful APIs displaying dynamic job listings with real-time filters for role, location, etc.
- Implemented state management to improve performance and user experience.

Krishi-Mitra HTML · CSS · JavaScript [LINK](#)

- Developed a dynamic frontend to manage product displays using DOM manipulation.
- Applied array methods (map, filter, find) for processing and displaying agricultural data dynamically.
- Improved user experience through structured UI design and interactive functionality.
